## **A TEACHER-LED PRESENTATION ON THE RISKS ASSOCIATED WITH CANNABIS.**

Health Canada's Pursue Your Passion is a teacher-led presentation that increases teens' awareness of the potential effects of cannabis use on their brain and mental health.

**Now available in Plains Cree and Eastern Ojibway**, the program equips

teachers and community youth leaders to deliver fact-based information, lead thought-provoking activities, and inspire youth to pursue a passion, without the use of cannabis. Find out how to inspire your students to make healthy choices.
